Dear Sir:

Applicant has received a Notice of Allowance and Fee(s) Due mailed 06/16/2004 and also a Notice of Allowability of the same date. The drawings filed on 07/28/2003 (when this application was filed) have been accepted by the Examiner. However, applicant would prefer to have inked formal drawings appear in the printed patent.

Accordingly, enclosed please find a set of copies of the drawings in this application which have been inked by the applicant's patent draftsman. They are labeled "replacement sheets." Please substitute this set for the sketches which were submitted with the application when it was first filed so that the inked formal drawings will be the ones which are printed.

Thank you.

Respectfully,

A handwritten signature in black ink, appearing to read "Gregory B. Beggs". The signature is written in a cursive, flowing style with a large initial 'G'.
